Community Partner Benefits

- ***Access new employees easily.*** As a Youth Spot Community Partner you can gain new employees looking to advance their skills in your organization quickly and easily. When positions become available simply contact Youth Spot via phone or email and our Job Developer will market your vacancies to local youth for free!
- ***Find flexible staff.*** Youth Spot serves youth with diverse needs and flexible schedules, so we welcome Community Partners to advertise full-time, part-time, and casual employment opportunities.
- ***Attract more business.*** Youth Spot employees, clients, and partners support organizations who share our mission to employ ready to work local youth. When members of our networks are seeking services, we recommend community partners first.
- ***Be community conscious.*** Support your community by helping new workers build skills in the industry. Becoming a Youth Spot Community Partner means you are dedicated to strengthening Vancouver's employment services and economy.
- ***Be an equal opportunity employer.*** Appreciate diversity by hiring youth from various backgrounds with different experiences to meet your organization's needs.
- ***Get recognized.*** To recognize your support of local youth, Youth Spot will mention your organization as a Community Partner on our communications materials and provide a window decal to showcase your support to the public.
